Getting here 

Drop us a mail and let Captain Lee know what is the single most important thing for you aboard Segundo Viento.

Everything thereafter will fall into place, you will see! Fly into Loreto International Airport and meet at Marina Puerto Escondido, a spectacular natural harbour protected by the peaks of the Sierra de la Giganta. You can either head to the mountains to tour the restored San Javier Mission church (one of the best preserved in Baja) or just settle in on board and get to know the crew while sipping a cocktail.

THIS IS SECOND WIND.  
THIS IS SEGUNDO VIENTO.
