# SAINT VINCENT & GRENADINES

AUGUST - NOVEMBER

Getting here 

Drop us a mail and let Captain Lee know what the single most important thing for you to experience aboard Segundo Viento is.

Everything thereafter will fall into place, you will see! There are, of course, direct flights from Miami into St Vincent's Argyle Airport or into Grenada's Maurice Bishop Airport. If you're adventurous, why not charter a 'puddle jumper'? And fly directly to any of the outlying islands like Bequia, Mustique, Union... Both yacht and Captain will be there waiting for you.

THIS IS SECOND WIND.  
THIS IS SEGUNDO VIENTO.

## YOUR ITINERARY

We have all the resources aboard, the skills and toys at hand to adjust to the whims of the islands, their tides and waters and, of course, you may wake up and just feel like doing something else...

## ESCAPE DAYS

Pink-shell sand bars, an isolated cove to yourself, a SPA day onboard (we arrange a Spa Therapist from a nearby Luxury Resort), private beach picnics, a swim with no-one around for miles and miles

## ACTIVE DAYS

Horse riding, windsurfing, kayaking, golf, island exploring and even good surf. It's all here...

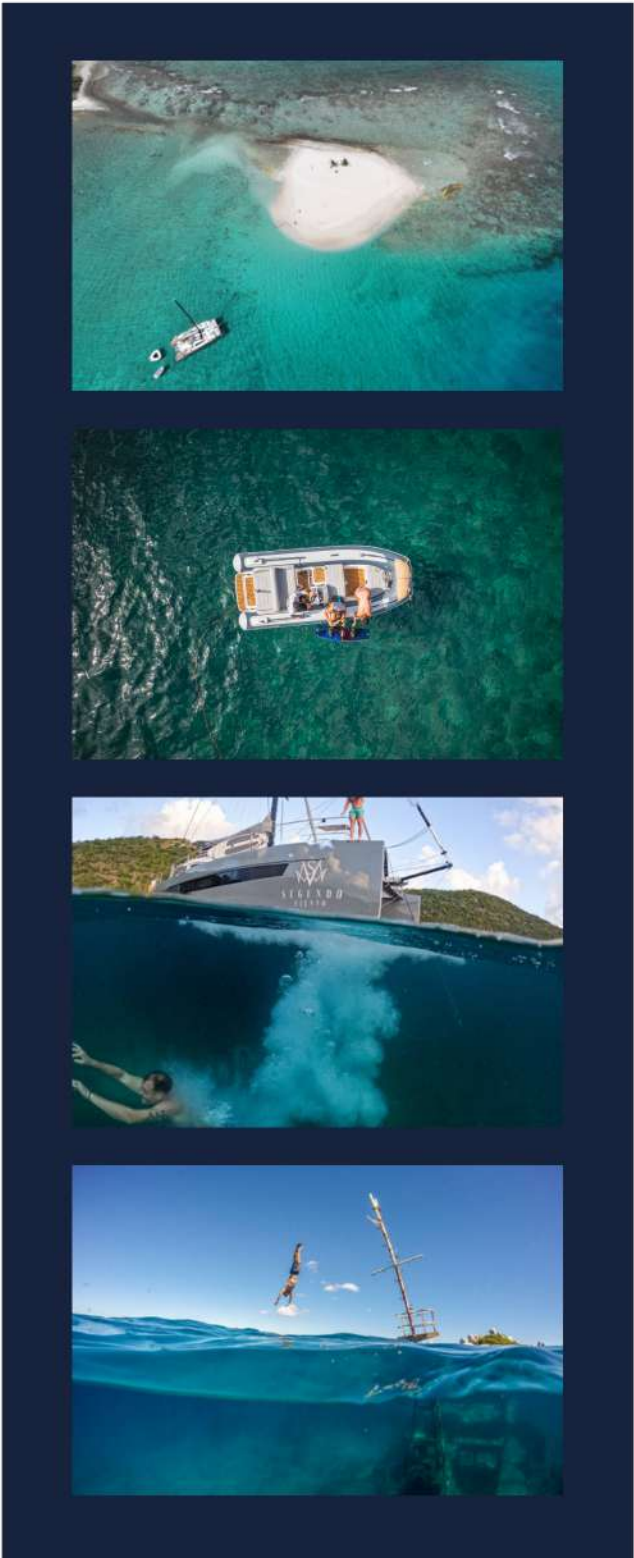

Change of plan? Just feel like 'escaping' today? Then let's head to Chatham or Petit Tabac!

## OCEAN BLISS DAYS

Diving, free-diving, reef snorkelling, under-water photography, or just laze in the shallows.

## CLASSIC CARIB DAYS

Old town cocktail bars, winding colonial stone roads and shopping, beach vendors with BBQ Lobster, restaurants as old as the institutions they are named for.

# SEGUNDO VIENTO

The map of St Vincent and the Grenadines sees us visit some of the Carib's most fabled islands in the 'Summer.' They are all on the 'itinerary' so to speak and all worthy of as much exploration as possible.
